PATENT ASSIGNMENT

WHEREAS, Digital Freight Exchange, Inc. a Kentucky corporation with its principal place of business at 2155 Young Drive, Lexington, KY 40505 ("Assignor"), is the owner of the entire right, title and interest in, to and under the United States Letters Patent and applications for foreign and/or international patents as itemized in the attached Schedule A (the "Patent Properties"); and

WHEREAS, Manugistics, Inc. (the "Assignee"), a corporation of the state of Delaware and having a place of business at 9715 Key West Avenue, Rockville, MD 20850, is desirous of obtaining the entire right, title and interest in, to and under the Patent Properties;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, the said Assignor does hereby sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said Patent Properties and in, to and under the inventions described therein, and all divisions, renewals, continuation applications thereof, and applications otherwise claiming priority therefrom, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof and applications otherwise claiming priority therefrom, and all applications for Letters Patent which may hereafter be filed for said inventions in any country or countries foreign to the United States, and all Letters Patent which may be granted for said inventions in any country or countries foreign to the United States and all extensions, renewals and reissues thereof and all rights of priority in any such country or countries based upon the filing of the said applications for Letters Patent of the United States which are created by any law, treaty or international convention, and all applications for Letters Patent of the United States or of any country or countries foreign to the United States which incorporate or encompass the subject matter and technology of said inventions and said Patent Properties.

[The Remainder of This Page Intentionally Left Blank]

AND Assignor hereby covenants that it has full right to convey the entire interest herein assigned, and that we has not executed, and will not execute, any agreement in conflict herewith.

IN TESTIMONY WHEREOF, I, Benjamin Lee Kessinger III, a director and/or officer of said Assignor having full authority to bind said Assignor as stipulated herein and having full intent to do so, hereunto set my hand and seal this 15th day of May, 2002.

ASSIGNMENT

WHEREAS WE, the below named inventors [hereinafter referred to as Assignors], have made inventions for which the applications for United States Letters Patent and applications for foreign and/or international patent as itemized in the attached Schedule A were filed on the indicated dates [such patent applications in Schedule A hereinafter referred to as Patent Properties];

AND WHEREAS, Digital Freight Exchange, Inc. a corporation of Kentucky, whose post office address is 2155 Young Drive, Lexington, KY 40505, [hereinafter referred to as Assignee], is desirous of securing the entire right, title and interest in and to these inventions in all countries throughout the world, and in and to the applications for United States Letters Patent on these inventions and the Letters Patents to be issued upon therefrom as well as in and to the Patent Properties;

NOW, THEREFORE, be it known that, for and in consideration of the sum of one dollar (\$1.00) in hand paid and other good and valuable consideration the receipt of which from assignee, is hereby acknowledged, we, as assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the assignee, its lawful successors and assigns, our entire right, title and interest in and to these inventions and the Patent Properties, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such Patent Properties, and all applications for Letters patent which may hereafter be filed for these inventions in any foreign country and all Letters Patent which may be granted on these inventions in any foreign country, and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for these inventions to assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed and will not execute any agreement in conflict with this Assignment;

AND WE HEREBY further covenant and agree that we will, without further consideration, communicate with assignee, its successors and assigns, any facts known to us respecting these inventions and Patent Properties, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to these inventions and Patent Properties in said assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for these inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by assignees, its successors and assigns.
